**Background:**

Gizem Öksüzoğlu, PhD. completed her undergraduate degree in Business Administration with honours from Eastern Mediterranean University, N. Cyprus in 2004 and received her MA degree in Human Resource Management with merit from the University of Leeds, UK in 2005 where she started to teach as a part-time lecturer the same year. In 2006, she started her PhD degree on a full scholarship in Brunel University, UK where she also worked as a graduate teaching assistant during her studies. In 2007, she received her Teaching and Learning in Higher Education certificate with which she became an associate member of the Higher Education Academy, UK. In 2010 she completed her PhD degree on Management Studies focusing on professional ethics and social responsibility. Same year, she started working as a full time lecturer at Brunel University, UK, taking on both academic and administrative responsibilities. She also served in number of research centres with her expertise as a researcher and a consultant. She has currently been an assistant professor at Mediterranean Karpasia University; N. Cyprus since 2013. Gizem Öksüzoğlu-Güven, PhD. has number of internationally published refereed articles, book chapters and conference papers. She is also a member of the British Academy of Management; Institute for Small Business and Entrepreneurship, UK and European Business Ethics Network.
