

Tovstonog Valery Alekseevich

1971 - graduated from the Bauman Moscow Higher Technical School

1974 - graduated from the post-graduate school of the BMSTU

1975 - PhD thesis protected for Design and Construction of Aircraft

1979 - an academic rank as a senior research fellow for Design and Construction of Aircraft

2010 - Doctor of Sciences in Thermal Physics and Theoretical Heat Technology

2011 - Professor of the Spacecraft and Launch Vehicles department of the Bauman Moscow State Technical University.

Author of more than 120 publications in the field of heat transfer processes in special-purpose materials, thermal and thermal structural tests of materials and construction of spaceship.

Member of the Council of Scholars for Aerodynamics and Heat Transfer Processes of Aircraft and Thermal Physics and Theoretical Heat Technology.

Deputy Editor-in-Chief of the scientific-theoretical and applied-science “Herald of the Bauman Moscow State Technical University” Journal.
